CASHBOX CANADA, July 10 2017

This is the "must see" show for Beatles fans. Sold out shows and standing ovations! ONES is thrilling audiences at every performance.

On the big screen, a multi-media presentation narrates the visual story of the Fab Four from Liverpool, and on the stage the 11-piece all star band plays each song "note perfect", so strikingly accurate to the records that the 60's literally come alive.

Toronto Radio personality Al Joynes (Q107) provides the on-screen narration that hosts this magical tour of 7 years of the 30 number one hits of The Beatles. Groundbreaking hit songs like Hard Day's Night, Nowhere Man, Eleanor Rigby, I Wanna Hold Your Hand, Hello Goodbye, Yesterday, Let it be, Yellow Submarine, Penny Lane, All you Need Is Love ... and a Grand Finale of a number one song from each of the Beatles as solo artists... Imagine, Photograph, My Sweet Lord, and Silly Love Songs. Expect an encore!

The ONES show is committed to excellence in performance at every level, from projections, to sound, and lights, to the cast of world class players, the troop have shared stages with legends such as The Monkees, Burton Cummings, Rik Emmett, Herman's Hermits, Kim Mitchell, Domenic Troiano, Tony Bennett and James Brown!

The Cashbox Canada cover says it all, this is "Canada's most exciting Beatles show!"
